

MARCS of a Disciple — Scriptural

1. Scripture is vital for our personal use as well as in group gatherings. This week, partner with someone to read the same verses. Text, call, or email back and forth about the meaning and application.

2. If you were to have a conversation with someone about Christ, what primary Scriptures would you use? If you don't have a 'playbook' ready, craft one with your family. 1 Peter 3:15 states that we always being prepared to make a defense to anyone who asks you for a reason for the hope that is in you.

3. What is one way you can elevate the importance of Scripture in your life?

4. When in a disagreement with a brother or sister in Christ, how often is your disagreement Scripturally based or personal opinion? How could you use Scripture in those moments to bring clarity to the topic at hand?

5. Do you believe that what is in your heart/mind comes out in your actions/ words? If we are people of Scripture, then the way we approach every situation is different. Think about a conflict you previously had. Did you do a good job representing Christ and His words well in that situation? Are there things you know now from Scripture that would change that conversation?
